MILDURA BASE PUBLIC HOSPITAL

Mildura Base Public Hospital (MBPH) was established as a new entity in September 2020. From day one, MBPH has aspired to provide exceptional patient care and be a leading healthcare provider in the north west of Victoria, known for its high level of professionalism, quality care and community engagement and positive and aligned workplace culture.

MBPH employs over 1200 staff and has 172 beds and provides a range of acute services in emergency, maternity, intensive care, rehabilitation, community services, psychiatric in and out patient care, palliative care, renal dialysis and chemotherapy service to the people of North West Victoria. The hospital also provides medical imaging and pathology services.

MBPH is proud to be affiliated with Monash and La Trobe Universities for the provision of undergraduate and postgraduate Medical, Nursing and Allied Health education. Affiliations also exist with other universities for clinical placement and training

VISION

Mildura Base Public Hospital – providing exceptional care.

PURPOSE

To improve health outcomes for our tri-state communities by creating partnerships, leading culture and building our team to deliver sustainable services.

VALUES

All employees of the Mildura Base Public Hospital are required to uphold the HEART values of our organisation. For information on our **HEART** values and the expectations to uphold the values, please refer to **page 5** of this document.

INCLUSION

At MBPH, we firmly believe that fostering diversity, equity, and inclusion is essential to the success of our health service, our employees, our patients, and the wider community. We wholeheartedly embrace diversity and highly value the diverse experiences of individuals from all ethnicities, faiths, ages, disabilities, cultures, languages, gender identities, sexes, and sexual orientations.

We extend a warm welcome to lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) individuals, inviting them to be a part of our inclusive health service.

Aligned with our HEART Values, we are dedicated to further enhancing accessibility and promoting inclusive practices across all aspects of our workplace.

STRATEGIC OBJECTIVES

POSITION SUMMARY

The Mental Health Graduate Enrolled Nurse Program will be supported by a Clinical Nurse Educator within a structured program that includes comprehensive orientation, professional development days, discipline specific clinical supervision, group supervision program and work place rotations through Mental Health Community and Inpatient Settings.

The program aims to support Enrolled Nurse Graduates during their first year of mental health nursing to develop the skills, knowledge, applied experience and values to become an effective member of the mental health nurse workforce. Graduates are expected to complete and submit all the required assessment tasks and hurdle requirements to receive a certificate of completion.

The program is part of a broader inter-professional early careers program (incorporating nursing and other allied health disciplines)

- Employment in the Graduate Program will be for a fixed term duration up to a maximum of 12 months with an offer of ongoing employment within the service after the initial 12 months, upon successful completion of the graduate year.

- Participation in scheduled events and professional development activities coordinated by the department is expected.

KEY RESPONSIBILITIES AND DUTIES

- To assist in the planning, delivery and evaluation of a high standard of nursing care in consultation with the health care team, client/resident and carers.
- To provide safe client-focussed care in an interdisciplinary environment.
- To develop and maintain professional nursing standards and practice
- To complete all Graduate Enrolled Nurse Program competencies, study and assessment requirements and identify continual learning needs through reflective practice.
- To engage in effective communication so as to include the clients/resident, carers/family and the inter-disciplinary team in the immediate and ongoing health care.
- To assess the need for and provide health education for clients/residents and their carers/family within the scope of practice for the beginning practitioner.

- To refer relevant, significant and important issues to preceptor, clinical support nurses, educators, senior staff or appropriate health care team members in a timely manner.
- Under the leadership and direction of experienced nurses, act as a positive role model to undergraduate nursing students.
- Conduct (nursing) mental state, social state and physical assessments of patients, which will assist with recommendations for formulation of Individual treatment/recovery plans and ensure accurate documentation of client records.

GENERAL RESPONSIBILITIES

Employees are required to comply with the **Victorian Government's Code of Conduct**. All staff must ensure they comply with **policies, procedures** and standard ways of work practices when carrying out their work.

Employees are responsible to take reasonable care of their own **health and safety** and the safety of others, to cooperate with the group's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. All staff must adhere to the policies and procedures as set out in the hospital's **infection control** manuals.

All information concerning Mildura Base Public Hospital, its patients, clients, residents and staff should remain strictly **confidential**. Any unauthorised disclosure of such information may result in disciplinary action. As a Mildura Base Public Hospital employee you have a responsibility to participate in and commit to ongoing **quality improvement** activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Any breach in compliance to any of the above general responsibilities may result in disciplinary action.
