MILDURA BASE PUBLIC HOSPITAL

Mildura Base Public Hospital (MBPH) was established as a new entity in September 2020. From day one, MBPH has aspired to provide exceptional patient care and be a leading healthcare provider in the north west of Victoria, known for its high level of professionalism, quality care and community engagement and positive and aligned workplace culture.

MBPH employs over 900 staff and has 172 beds and provides a range of acute services in emergency, maternity, intensive care, rehabilitation, community services, psychiatric in and out patient care, palliative care, renal dialysis and chemotherapy service to the people of North West Victoria. The hospital also provides medical imaging and pathology services.

VISION

Mildura Base Public Hospital – providing exceptional care.

PURPOSE

To improve health outcomes for our tri-state communities by creating partnerships, leading culture and building our team to deliver sustainable services.

VALUES

All employees of the Mildura Base Public Hospital are required to uphold the HEART values of our organisation. For information on our **HEART** values and the expectations to uphold the values, please refer to page 5 of this document.

INCLUSION

At MBPH, we firmly believe that fostering diversity, equity, and inclusion is essential to the success of our health service, our employees, our patients, and the wider community. We wholeheartedly embrace diversity and highly value the diverse experiences of individuals from all ethnicities, faiths, ages, disabilities, cultures, languages, gender identities, sexes, and sexual orientations.

We extend a warm welcome to lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) individuals, inviting them to be a part of our inclusive health service.

Aligned with our HEART Values, we are dedicated to further enhancing accessibility and promoting inclusive practices across all aspects of our workplace.

STRATEGIC OBJECTIVES

POSITION SUMMARY

The Graduate Nurse Educator is responsible for coordinating the General Graduate Nurse Program and the Mildura Collaborative Graduate Nurse Program, programs of critical importance to grow the MBPH future workforce. This will include the provision of professional support to graduate program participants, and liaison with Nurse Educators and Clinical Support Nurses supporting the Graduates in the organisation.

In undertaking the role, the Graduate Nurse Educator works closely with other members of the Education Department to share knowledge and resources, reduce duplication and enable continuous improvement in clinical learning and development.

The Graduate Nurse Educator collaborates with the Principal Nurse Educator and the People and Culture team to support expansion of graduate programs at MBPH to meet present and future workforce needs.

As a Nurse/Midwife at MBPH you may be required to work within different sites or departments if required.

All staff at Mildura Base Public Hospital must have the personal qualities, knowledge and skills as described in the Mildura Base Public Hospital Heartbeat Guideline (Code of Conduct) and uphold and model these behaviours in and outside of our health service.

KEY RESPONSIBILITIES AND DUTIES

- Responsible for the coordination of the General Graduate Nurse Program and in collaboration with partner organisations for the Mildura Collaborative Graduate Nurse Program including:
 - Promotional activities in collaboration with MBPH key stakeholders
 - Recruitment in line with the Post-Graduate Medical Council of Victoria (PMCV) Business Rules
 - Clinical rotations
 - Professional development i.e. study day program
- Collaborate with leads and key stakeholders of other MBPH graduate nurse / midwifery programs to promote consistency in systems and processes.
- Support the Nurse Educator and/or Unit Manager with performance appraisal and development activities where required, assisting with performance development plans to identify and support individual learning needs.
- Evaluation of graduate nurse programs in line with the Best Practice Clinical Learning Environment Framework.
- Prepare and submit reports in relation to graduate nurse programs.
- Collaborate with the multi-disciplinary team to promote interprofessional education.
- In collaboration with key stakeholders lead the design, development, promotion, implementation and ongoing evaluation and improvement of preceptorship programs.
- Facilitate education using adult learning principles and a blended learning approach, contributing to hospital wide education as required.

- Assist in the development and revision of education resources as per areas of expertise.
- Develop personally and professionally through networking and maintaining up to date knowledge on evidence-based practice.
- Act as a mentor and role model.

GENERAL RESPONSIBILITIES

Employees are required to comply with the **Victorian Government's Code of Conduct**. All staff must ensure they comply with **policies, procedures** and standard ways of work practices when carrying out their work.

Employees are responsible to take reasonable care of their own **health and safety** and the safety of others, to cooperate with the group's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. All staff must adhere to the policies and procedures as set out in the hospital's **infection control** manuals.

All information concerning Mildura Base Public Hospital, its patients, clients, residents and staff should remain strictly **confidential**. Any unauthorised disclosure of such information may result in disciplinary action. As a Mildura Base Public Hospital employee you have a responsibility to participate in and commit to ongoing **quality improvement** activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Any breach in compliance to any of the above general responsibilities may result in disciplinary action.
