MILDURA BASE PUBLIC HOSPITAL

Mildura Base Public Hospital (MBPH) was established as a new entity in September 2020. From day one, MBPH has aspired to provide exceptional patient care and be a leading healthcare provider in the north west of Victoria, known for its high level of professionalism, quality care and community engagement and positive and aligned workplace culture.

MBPH employs over 900 staff and has 172 beds and provides a range of acute services in emergency, maternity, intensive care, rehabilitation, community services, psychiatric in and out patient care, palliative care, renal dialysis and chemotherapy service to the people of North West Victoria. The hospital also provides medical imaging and pathology services.

VISION

Mildura Base Public Hospital – providing exceptional care.

PURPOSE

To improve health outcomes for our tri-state communities by creating partnerships, leading culture and building our team to deliver sustainable services.

VALUES

All employees of the Mildura Base Public Hospital are required to uphold the HEART values of our organisation. For information on our **HEART** values and the expectations to uphold the values, please refer to page 5 of this document.

INCLUSION

At MBPH, we firmly believe that fostering diversity, equity, and inclusion is essential to the success of our health service, our employees, our patients, and the wider community. We wholeheartedly embrace diversity and highly value the diverse experiences of individuals from all ethnicities, faiths, ages, disabilities, cultures, languages, gender identities, sexes, and sexual orientations.

We extend a warm welcome to lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) individuals, inviting them to be a part of our inclusive health service.

Aligned with our HEART Values, we are dedicated to further enhancing accessibility and promoting inclusive practices across all aspects of our workplace.

STRATEGIC OBJECTIVES

POSITION SUMMARY

The Patient Support & Logistics Team Lead is responsible for the daily supervision, coordination, and performance of the Patient Support and Logistics service stream. This role ensures the safe, timely, and efficient movement of patients, equipment, and materials throughout the hospital, as well as the effective management of waste, linen, and logistical support functions. The position promotes a positive and accountable workplace culture, ensuring operational excellence, compliance with safety standards, and continuous service improvement.

GENERAL RESPONSIBILITIES

Employees are required to comply with the **Victorian Government's Code of Conduct**. All staff must ensure they comply with **policies, procedures** and standard ways of work practices when carrying out their work.

Employees are responsible to take reasonable care of their own **health and safety** and the safety of others, to cooperate with the group's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. All staff must adhere to the policies and procedures as set out in the hospital's **infection control** manuals.

All information concerning Mildura Base Public Hospital, its patients, clients, residents and staff should remain strictly **confidential**. Any unauthorised disclosure of such information may result in disciplinary action. As a Mildura Base Public Hospital employee you have a responsibility to participate in and commit to ongoing **quality improvement** activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Any breach in compliance to any of the above general responsibilities may result in disciplinary action.

KEY RESPONSIBILITIES AND DUTIES

Leadership & People Management

- Supervise, support, and mentor the Patient Support and Logistics team.
- Promote a culture of accountability, safety, and teamwork.
- Set clear performance expectations and monitor outcomes.
- Recognise achievements and manage performance concerns constructively.
- Ensure fair task allocation and support workforce wellbeing.

Operational Management

- Coordinate and oversee patient transport activities within the hospital.
- Ensure patient transfers are completed safely, efficiently, and with a focus on patient comfort and dignity.
- Manage logistics including equipment movement, waste management, and linen handling.
- Allocate staff and resources according to hospital needs and service demands.
- Collaborate with nursing, clinical, and support teams to ensure seamless service delivery.

Compliance & Auditing

- Conduct audits on patient transfer timeliness, waste management, and logistics processes.
- Ensure compliance with infection control, OH&S, and hospital policy standards.
- Identify and respond promptly to service risks or incidents.
- Implement and document corrective actions and improvement strategies.

Continuous Improvement

- Use data and feedback to identify opportunities for efficiency and service quality enhancement.
- Contribute to training and development of staff to improve capability and compliance.
- Support process reviews and contribute to innovation in patient and logistics support.
- Collaborate with the Education & Administration Support Officer to coordinate staff education.

Reporting & Accountability

- Provide accurate and timely reports on performance, audits, risks, and workforce matters to the Support Services Coordinator.
- Maintain clear and detailed documentation of audits, incidents, and service outcomes.
- Participate in planning, review meetings, and improvement initiatives.

KEY SELECTION CRITERIA

Essential

- Demonstrated experience leading or supervising staff in a hospital, healthcare, or logistics/support services environment.
- Ability to coordinate daily operations, allocate staff, and manage competing priorities in a busy setting.
- Knowledge of safe patient handling and internal patient transport processes.
- Experience with logistics functions including equipment movement, linen services, and waste management.
- Understanding of infection control, OH&S, and hospital policy compliance.
- Ability to conduct audits, manage incidents, and complete accurate documentation and reporting.
- Strong communication, teamwork, and problem-solving skills.
- Commitment to confidentiality, professionalism, and continuous improvement.
