

# Mildura Mental Health Graduate Nurse & Transition to Specialist Program

# About Mildura Base Public Hospital

MBPH is a Level 1 tertiary teaching hospital that has a long and successful history in providing high quality care to our community.

The hospital services a population of approximately 80,00 people in Mildura and the Northern Mallee area and is the second largest hospital in the Loddon Mallee healthcare region.

The hospital is the major public referral health service for the Victorian Northern Mallee sub-region and a referral centre for smaller regional services including Mallee Track Health & Community Services and Robinvale District Health Service.
