POSITION SUMMARY

The AOD clinician will work within a multi-disciplinary integrated AOD Treatment Team within the MBPH Area Mental Health and Wellbeing Service (AMHWS). This team will operate across the AMHWS, employing a 'shared-care' approach to integrating treatment, care and support for consumers with 'co-occurring conditions', as well as their families and carers.

Working collaboratively, the AOD Clinician will provide clinical assessment and treatment to mental health consumers with co-occurring conditions in both inpatient and community settings. The role will utilise contemporary evidence-based practice for treatment, support and care', and may involve working extended hours, including evening and weekends as required, and flexible service delivery (including at home).

KEY RESPONSIBILITIES AND DUTIES

Clinical Assessment and Treatment:

- As part of a shared-care model, conduct comprehensive assessments of mental health consumers with co-occurring substance use disorders, utilising standardised assessment tools and evidence-based practices.
- Develop individualised treatment plans, based on assessment findings, consumer preferences, and goals, and collaborate with case managers and treating teams to provide coordinated treatment of co-occurring conditions;
- Employ a harm reduction approach and trauma-informed care principles in delivering interventions.
- Monitor and evaluate the progress of consumers throughout the treatment process, adjusting interventions in collaboration with case managers and treating teams (as needed).
- Maintain a portfolio depending on service needs such as Hep C coordination or Homeless Youth Dual Diagnosis (HYDDI)

Collaboration and Networking:

- Establish and strengthen collaborative networks with MBPH partners, consumers, carers, and relevant community organizations to enhance service delivery.
- Work closely with consumers and carers to ensure their active participation in treatment planning and decision-making processes.
- Foster partnerships with external agencies, such as substance use treatment centres, community-based organisations, and peer support groups, to provide comprehensive care and support.
- Participate in multi-disciplinary meetings and case conferences to ensure a coordinated response to consumer needs.

Documentation and Reporting:

- Maintain accurate and confidential consumer records, including assessments, treatment plans, progress notes, and discharge summaries, in compliance with legal and ethical standards.
- Prepare reports and contribute to data collection efforts for program evaluation and reporting purposes.
- Adhere to relevant policies, procedures, and regulations related to clinical documentation and reporting.

Professional Development:

- Engage in ongoing professional development activities to enhance clinical skills and knowledge in the field of co-occurring mental health and substance use disorders.
- Attend relevant training, conferences, workshops, and seminars to stay informed about emerging practices and advancements.
- Participate in quality improvement activities to enhance the effectiveness and efficiency of service provision.
- Seek supervision and consultation as needed to ensure the provision of high-quality care.

GENERAL RESPONSIBILITIES

Employees are required to comply with the **Victorian Government's Code of Conduct**. All staff must ensure they comply with **policies, procedures** and standard ways of work practices when carrying out their work.

Employees are responsible to take reasonable care of their own **health and safety** and the safety of others, to cooperate with the group's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. All staff must adhere to the policies and procedures as set out in the hospital's **infection control** manuals.

All information concerning Mildura Base Public Hospital, its patients, clients, residents and staff should remain strictly **confidential**. Any unauthorised disclosure of such information may result in disciplinary action. As a Mildura Base Public Hospital employee you have a responsibility to participate in and commit to ongoing **quality improvement** activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Any breach in compliance to any of the above general responsibilities may result in disciplinary action.

KEY SELECTION CRITERIA

Essential:

- Approved degree and registration with AHPRA or relevant registration body.
- Clinical experience working with consumers with substance use disorders.
- Understanding of evidence-based interventions for substance use disorders and experience in their implementation.
- Knowledge of harm reduction principles, trauma-informed care, and recovery-oriented approaches.
- Ability to work effectively within a multi-disciplinary team and collaborate with diverse stakeholders.
- Strong interpersonal and communication skills, with the ability to engage and build rapport.
- Capacity to collaborate with all stakeholders to achieve effectiveness and efficiency of services.
- Knowledge of quality improvement Australian Standards.
- Ability to collect data and prepare reports and recommendations.

- Sound computer skills.

Desirable:

- A post graduate qualification in Drug and Alcohol nursing or a willingness to complete.

MANDATORY REQUIREMENTS
