## POSITION SUMMARY

The Nurse/Midwifery Educator holds a key leadership position in the specified clinical area(s) and across the organisation, facilitating the development of and supporting a culture of continuous learning and enquiry by the Nursing and Midwifery workforce at MBPH.

The Nurse/Midwifery Educator collaborates with the Nursing and Midwifery team to inform the development, delivery and evaluation of education resources to meet individual and organisational learning and developmental needs, supporting the delivery of a patient centred service that embodies evidence-based practice.

All staff at Mildura Base Public Hospital should have, or aspire to the personal qualities, knowledge and skills as described in the Mildura Base Public Hospital Staff Capabilities Statement. Refer to link at top of page.

As a Nurse/Midwife at MBPH you may be required to work within different sites or departments if required.

## KEY RESPONSIBILITIES AND DUTIES

- Collaborate with the Education Department to develop, implement and evaluate the department orientation.
- Collaborate with the Education Department and Unit Manager to identify educational needs through a variety of means (i.e. monitoring staff performance, needs assessment, continuous safety and quality improvement activities), to develop and maintain the clinical education program for a specified clinical area(s), contributing to hospital wide education as required.
- Collaborate with the Unit Manager to develop and maintain optimal staff skill sets to meet the needs of the clinical patient case-mix.
- Responsible for the identification and relationship management between preceptors and new staff, monitors the performance of the preceptors in their support of new staff and provides coaching and constructive feedback to preceptors.

- Provide mentorship, educational leadership, supervision, assessment and coaching to the nursing/midwifery workforce ensuring as far as practicable, consistency of education and clinical practice.
- Assist the Unit Manager to monitor and facilitate staff compliance with training requirements and maintenance of accurate documentation and reports to provide evidence that training/competency compliance is maintained at required standards.
- Support the Unit Manager with performance appraisal and development activities within specific clinical unit(s), assisting with performance development plans to identify and support individual learning needs.
- Facilitate education using adult learning principles and a blended learning approach.
- Collaborate with the multi-disciplinary team to promote interprofessional education.
- Manage the team of Clinical Support Nurses/Midwives, providing coaching, mentoring and support in their role.
- Responsible for the coordination of graduate programs, where relevant, and with exception of the General Graduate Nurse Program, including recruitment in line with the Post-Graduate Medical Council of Victoria (PMCV) Business Rules.
- Responsible for the coordination of post-graduate programs, including recruitment to where relevant, in collaboration with the Unit Manager, Principal Nurse Educator and Human Resources, completing post-graduate assessments as required.
- Act as a mentor and role model.
