- Work within role and defined parameters as determined by this position description and the specific duties list
- Acknowledge and report any deficiency in competency
- Accept accountability for the delegated care given to patients
- Liaise and provide information to patients and their relatives and/or visitors within scope of role as required
- Observe and promptly report changes in patient issues or patients' needs and enquiries to the Nursing or Allied Health team
- Contribute to positive patient outcomes by ensuring all elements of delegated work is completed accurately and in accordance with hospital policies and procedures
- Participate in delegated aspects of care to assist activities of daily living for selected patients, including but not limited to: assistance with personal hygiene, assistance with feeding needs, assistance with mobility, assistance with delegated rehab strategies, assistance with transfers and positioning within the ward
- Conduct patient screening assessments in ED/SSU and ward environments
- Collecting and providing patient equipment needs as delegated by Nursing or Allied Health teams
- Ensure patient privacy and dignity is maintained at all times
- Observation and reporting of patients considered at risk of falling
- Apply practical intervention strategies for dementia or behavioural problems
- Maintain a safe patient environment and report incidents promptly to the Nursing team and other relevant member/s of the nursing team
- Assist with making beds and keeping the unit environment tidy
- Communicate effectively with the interdisciplinary team
- Participate in documentation as relevant
- Ensure relevant infection control policies are adhered to at all times

## GENERAL RESPONSIBILITIES

Employees are required to comply with the **Victorian Government's Code of Conduct and MBPHs Heartbeat Guideline**. All staff must ensure they comply with **policies, procedures** and standard ways of work practices when carrying out their work.

Employees are responsible to take reasonable care of their own **health and safety** and the safety of others, to cooperate with the group's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. All staff must adhere to the policies and procedures as set out in the hospital's **infection control** manuals.

All information concerning Mildura Base Public Hospital, its patients, clients, residents and staff should remain strictly **confidential**. Any unauthorised disclosure of such information may result in disciplinary

action. As a Mildura Base Public Hospital employee, you have a responsibility to participate in and commit to ongoing **quality improvement** activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards) in alignment with the MBPH Clinical Governance Framework. All employees are responsible for contributing to safe, effective, accountable and person-centred care by:

- Proactively identifying and reporting risks to minimise and mitigate them
- Operating within their scope of practice and seeking help when needed

Ensuring patient and consumer safety and quality of care is your highest priority.

Any breach in compliance to any of the above general responsibilities may result in disciplinary action.

## **KEY SELECTION CRITERIA**

### **Essential:**

- Certificate III or Certificate IV in Allied Health Assistance

### **Desirable:**

- Willingness to work under the supervision of an Allied Health Professional or Nurse team
