MILDURA BASE PUBLIC HOSPITAL

Mildura Base Public Hospital (MBPH) was established as a new entity in September 2020. MBPH is a leading healthcare provider in the north west of Victoria, known for its high level of professionalism, quality care and community engagement.

MBPH provides a range of acute services in emergency, maternity, intensive care, rehabilitation, community services, psychiatric in and out patient care, palliative care, renal dialysis and chemotherapy service to the people of North West Victoria. The hospital also provides medical imaging and pathology services.

MBPH is proud to be affiliated with Monash and La Trobe Universities for the provision of undergraduate and postgraduate Medical, Nursing and Allied Health education. Affiliations also exist with other universities for clinical placement and training.

VISION

Mildura Base Public Hospital – providing exceptional care.

PURPOSE

To improve outcomes for our tri-state communities, by creating partnerships, leading a culture and building our team to deliver sustainable services.

VALUES AND BEHAVIOURS

All employees of the Mildura Base Public Hospital are required to uphold the HEART values of our organisation, for more information on our HEART values and the expectations to uphold the values, please refer to page 7 of this document.

MBPH @Home

Mildura Base Public Hospital is committed to the Better at Home initiative to deliver healthcare within patients' homes, through improving and expanding home delivered care. This will enable the organisation to support more acute care, rehabilitation and geriatric evaluation and management within the home. Improving patient outcomes and increasing satisfaction by allowing clients to stay socially connected and better supported by the multidisciplinary team within the home is our goal. MBPH@Home aims to provide an alternative to being admitted to or remaining in hospital & the opportunity to recover and rehabilitate within the client's own home.

POSITION SUMMARY

Mildura Base Public Hospital provides services across the acute and sub-acute settings. This position provides an opportunity for a Dietitian to contribute to the aims of the MBPH@Home programs within the subacute setting.

The MBPH@Home Dietitian would be a valuable member of the Community Services team and contributes to high quality dietetic services within several community service programs, which includes Transition Care Program, Rehabilitation in the Home and GEM@Home. You would be member of the multidisciplinary team providing dietetic expertise and contributing to the overall case management of the client.

The purpose of the MBPH@Home Dietitian position is:

- To provide comprehensive dietetic services and assessments to clients who are participants in MBPH community services programs
- Contribute to the development of the dietetics service within MBPH@Home programs
- Participate in case conferencing and team meetings as required
- To provide specialist dietetic advice to the multi-disciplinary team and contribute to the overall client care plan; implement, monitor and evaluate treatment modalities
- Provide support to Allied Health Assistants employed within the MBPH@Home programs
- Potential to support and supervise Grade 1 dietitians, students and Allied Health Assistants as required
- To contribute to the development of the dietetic service within the MBPH@Home programs
- Assessment, review & development of individual evidence-based treatment plans
- Consultation with the client, family members and other stakeholders to ensure the goals of the clients are achieved
- Provision for professional and educational support from MBPH Allied Health team

KEY RESPONSIBILITIES AND DUTIES

1. Clinical

The MBPH@Home Dietitian will demonstrate and apply clinical competence through:

- 1.1. Providing client focused assessment, treatment/intervention and consultative clinical services in cooperation with the multi-disciplinary team.
- 1.2. Taking a lead clinical role in the MBPH@Home Program, demonstrating special knowledge and depth of experience appropriate to the designated case types.
- 1.3. Facilitating the smooth transition of clients through the health care system, liaising with relevant staff and community agencies to ensure continuity of care for individual patients/clients and their families:
- 1.4. Working within the multi-disciplinary team, recognising and respecting the expertise and contribution of all team members, collaborating to refer clients to other services as necessary.
- 1.5. Demonstrating knowledge and appropriate use of services relevant to the client/family.
- 1.6. Attending relevant case conferences and family meetings.
- 1.7. Ensuring all clinical activity undertaken fulfils or exceeds the competency standards of the profession, and the minimum standards for the programs into which they input/relate.
- 1.8. Engaging in clinical work that is guided by evidence-based practice and in which outcomes are monitored and modifications made as required.
- 1.9. Implementing complex treatments / intervention plans based on assessment.

- 1.10. Managing time and prioritising competing demands so that clinically appropriate care is delivered in a timely fashion, and non-clinical deadlines and responsibilities are met.
- 1.11. Meeting discipline specific requirements as designated by the team and or Community Services Manager

2. Communication

The MBPH@Home Dietitian will demonstrate significant communication skills and the ability to negotiate and consult widely at all levels through:

- 2.1. Maintaining timely, effective and professional oral and written communication at all levels within MBPH, and with external professional and organisations as required.
- 2.2. Demonstrating skills in negotiation and conflict resolution.

3. Service Planning and Coordination

The MBPH@Home Dietitian will demonstrate an understanding of the factors affecting healthcare and apply this knowledge to improve services and health outcomes through:

- 3.1. Contributing to, and demonstrating accountability in, the development of the work area and physiotherapy services
- 3.2. Actively contributing to the preparation for, and the achievement of, the National Safety and Quality Health Service Standards
- 3.3. Demonstrating an understanding of the public health system, and its financial and structural arrangements.
- 3.4. Actively contributing to the MBPH@Home programs, education or meetings as appropriate or as delegated by the Community Services Manager and/or program manager.
- 3.5. Participating in quality improvement activities as appropriate
- 3.6. Maintaining active participation on committees and working parties as required
- 3.7. Applying Mildura Base Public Hospital policies, procedures and guidelines in practice.

4. Information Management

The MBPH@Home Dietitian will ensure information is managed in line with organisational, allied health and discipline standards by:

- 4.1. Meeting the documentation requirements for all programs.
- 4.2. Completing required statistical records for client related and other activities within the specified timeframes.
- 4.3. Participating in the monitoring and review of data generated for the purposes of discussing staffing requirements and workloads, and for monitoring the efficiencies of new work practices and quality activities in relevant forums.

5. Training and Professional Development

The MBPH@Home Dietitian will demonstrate a commitment to, and responsibility for, individual professional development through:

- 5.1. Actively participating in training and professional development as required to achieve the service and program objectives of MBPH.
- 5.2. Actively participating in the coordination of at least one CPD activity per year.
- 5.3. Undertaking mandatory training within the required timeframes.
- 5.4. Actively participating in the development, delivery and coordination of orientation, induction, mentorship, supervision, education and professional development of allied health staff, students (including work experience students) and other MBPH personnel as required.
- 5.5. Establishing, maintaining and fulfilling a personal professional development plan with identified learning needs and goals to extend clinical knowledge and skills, to be reviewed annually at the Performance Review and Development Plan meeting (annual appraisal)
- 5.6. Actively participating in the support and development of staff, including formal clinical supervision when appropriate

6. Teaching and Training

The MBPH@Home Dietitian will participate in training, teaching and research programs by:

- 6.1. Assisting in relevant research activities under the guidance of senior staff or management.
- 6.2. Assist in the supervision and teaching of Dietetic students and staff
